Customer Auto-Refill Agreement Terms and Conditions

As a participant in the Unicity Auto-Refill program, I authorize Unicity to ship my order to me monthly after processing the payment method that I have indicated. Unicity is authorized to bill my credit card company or withdraw from my bank account as indicated herein, each month of this agreement. Unicity is under no obligation to ship any products until full payment has been received. Shipment will take place approximately two days from payment confirmation. Any new Auto-Refill Agreement received will cause an order to be shipped within two days of receipt of said agreement. Each month thereafter, my Auto-Refill order will be sent. Each Auto-Refill order will be received within three to five days after the date of shipment. Applicable shipping and handling charges will be applied to each Auto-Refill order.

- AUTO-REFILL:** This program allows me to automatically receive my product order each month.
- REVISION:** I may revise my Auto-Refill Agreement by submitting a new Auto-Refill Agreement with the word "Modify" written at the top of this form. The Customer Service Department must receive revisions no later than 10 calendar days prior to my next Auto-Refill shipment date. If the revision is received less than 10 calendar days prior to shipment, there will be no guarantee that the revision will be effective for that shipment. No exchanges may be made for previous orders that were shipped. The revised agreement will be in effect for the next shipment date.
- CANCELLATION:** I may cancel my Auto-Refill Agreement by submitting a new Auto-Refill Agreement with the word "Cancel" written at the top of this form. The Customer Service Department must receive the cancellation notice no later than 10 business days prior to my next Auto-Refill shipment date. If the cancellation is received less than 10 business days prior to shipment, there will be no guarantee that the last order will not ship.
